NOTICE FROM THE BOARD OF HEALTH

Re: ALL DOGS & CATS MUST HAVE ANNUAL LICENSE

Pursuant to Borough Code Chapter 146, all dog/cat licenses are renewable in January of each year. Due to the pandemic and for your convenience and safety, we can license your dog or cat through the mail or you may submit it in person during normal business hours. Just fill out the application located on the Borough's website; www.southplainfieldnj.com and go to "Forms" then scroll down to find the "Dog & Cat License Application". Submit necessary proof of valid rabies vaccination through November of the current year along with the required fee and postage paid envelope. Checks are payable to "South Plainfield Health Dept."

Residents are legally required to vaccinate and license their dogs/cats, therefore, please consult with your veterinarian regarding rabies vaccinations or refer to this link for a list of free rabies clinics throughout Middlesex County:
