NOTICE FROM THE BOARD OF HEALTH

Re: JANUARY 2021 ANNUAL DOG/CAT LICENSE RENEWAL

Pursuant to Borough Code Chapter 146, all dog/cat licenses are renewable in January of each year. Below is the link for the application. Due to the pandemic and for your convenience and safety, we can license your dog or cat through the mail. Just fill out the application located on the Borough's website; www.southplainfieldnj.com and go to "Forms" then scroll down to find the "Dog & Cat License Application". Submit necessary proof of valid rabies vaccination through November of the current year along with the required fee and postage paid envelope, and we will be happy to mail you the license and tag for your pet. Checks are payable to "South Plainfield Health Dept."

Please be advised that due to the COVID-19 pandemic, the January 2021 Rabies Clinic is cancelled. Many regional county and municipal rabies clinics have suspended their clinics until further notice. Residents are still legally required to vaccinate and license their dogs/cats, therefore, please consult with your veterinarian regarding rabies vaccinations.

****Please note that 2021 pet licenses cannot be issued any sooner than January 2021.***
