

## **POLL WORKER ROYALTY FOR THE NIGHT!**

With every election it is of paramount importance for the Borough of South Plainfield to transmit the election day results to Middlesex County as expeditiously as possible. The Borough Clerk's Office relies on poll workers to deliver the election results to the Borough Clerk's Office at the close of all election voting districts as soon as possible. The Municipal Clerk then transmits the results directly to the County who in turn posts said results on their website for all to see. Thus, the faster the results are transmitted to the County, the faster the public can view them.

After many years of observing how well our poll worker team does to expedite the process at the end of the night, my office came up with a fun incentive and a show of appreciation for poll workers who are first to drop off the election day results at the end of the night. We decided to present First, Second and Third Place Poll Worker Crowns to the poll workers who were first to deliver the election day results to my office. They are poll worker royalty for the night! This fun incentive has been so well received that the Borough Clerk's Office looks to continue the crowning of our poll workers during the 2024 elections as well.

All South Plainfield Poll Workers who worked the 2023 General Election are to be commended for a job well done. Their patience, dedication, and professionalism is so greatly appreciated. You are a remarkable team, and we look forward to working with you again in 2024.

A very special thank you to our First, Second and Third Place Winners for being the first to deliver your election results to the Borough Clerk's Office on election night: Terrence Young who worked District 5 at the Senior Center, Chris Seesselberg who worked District 12 at Kennedy School, and Carol Caswell who worked District 9 at the Kennedy School.

If you, or someone you know, is interested in being a poll worker (which pays \$300 for the day), please fill out a poll worker application located on the Borough's website [www.southplainfieldnj.com](http://www.southplainfieldnj.com) or you may contact the Borough Clerk at [aantonides@southplainfieldnj.com](mailto:aantonides@southplainfieldnj.com).
