

## **DON'T FORGET TO LICENSE YOUR CATS & DOGS!**

Every January, all cat/dog owners must renew their cat/dog's license through the Borough's Health Department Office. The fee is \$11.00 for spayed/neutered cat/dogs or \$14.00 for non-spayed/neutered cat/dogs. The only requirement to obtain the license is to show proof that your cat/dog's rabies shots are valid at least through November of the current licensing year.

For your convenience, you may license your pet(s) through the mail by sending a check written out to "South Plainfield Health Department", include a copy the spayed/neutered certificate (if applicable), and a copy of an updated rabies certificate. Please include your home and daytime phone numbers along with a self addressed stamped envelope. Send it to the attention of:

Health Department  
Animal Licensing  
2480 Plainfield Avenue  
South Plainfield, NJ 07080
