187-24. Handicapped Parking.

- A. Definitions: As used in this article, the following terms shall have the meanings indicated:
Handicapped person - means any person who has lost the use of one or more limbs as a consequence of paralysis, amputation, or other permanent disability or who is permanently disabled as to be unable to ambulate without the aid of an assisting device or whose mobility is otherwise limited as certified by a physician with a plenary license to practice medicine and surgery in this state or bordering state. "Handicapped person" shall also mean any person who has temporarily lost the use of one or more limbs, is temporarily unable to ambulate without an assisting device or whose mobility is otherwise temporarily limited, said temporary disabilities as described above having been certified to by a physician of this or a neighboring state licensed to practice medicine and surgery in that state. Other type of temporary disability will serve as grounds for certification by a licensed physician. For the purposes of this article, licensed physician shall include those persons licensed as chiropractors.

Handicapped person identification card means:

- 1. The identification card issued to a handicapped person by the director of the division of motor vehicles in the department of law and public safety, pursuant to N.J.S.A. 39:4-205. "Handicapped person identification card" shall also mean the placard issued by the borough police department to an applicant upon the certification of a physician that the applicant is temporarily disabled in one of the ways described in the definition of "handicapped person" above. Placards issued by the borough police department pursuant to this article shall remain valid for six months from the date of issuance, with only one extension of six months allowed, and shall have listed upon them the date such placard expires.
- 2. The category of handicapped person identification card shall also include handicapped nursing home resident identification cards issued to nursing home owners or operators for use by that person in a vehicle owned or operated by the nursing home and used to transport handicapped nursing home residents.

Handicapped person placard or license plate means the placard or license plate issued to a handicapped person pursuant to N.J.S.A. 39:4-206, indicating that the person has been issued a handicapped person identification card, such placard or license plate to be displayed on the motor vehicle used to transport the handicapped person when the vehicle is parked in parking spaces designed for use by handicapped persons.

Parking lot means any area, inside or outside a public building or upon private property, set aside for the parking of vehicles with or without charge to the owners of these vehicles.

Public building means any building, structure, facility or complex used by the general public or to which the general public is invited, including, but not limited to, theaters, concert halls, auditoriums, museums, schools, libraries, hospitals, recreation facilities, office buildings, factories, business establishments, public eating places, motels and hotels, shopping centers and the like, whether publicly or privately owned, except that this term shall not include private family residences, warehouse storage areas and all buildings containing hazardous occupancies that involve highly combustible, highly flammable or explosive materials.

B. Handicapped parking spaces established.

Parking spaces restricted for use by handicapped persons who have been issued handicapped person identification cards, and display handicapped person placards or license plates, are hereby established in all parking lots within the borough provided in conjunction with or to serve public buildings, the specific locations of which shall be determined upon approval of the sketch plan required by this article.

C. Guidelines for designation of handicapped parking spaces.

1. The designated handicapped parking spaces shall be located in an area of the parking lot, which is most accessible and proximate to the public building(s) the lot serves, as approved by the Borough of South Plainfield.
2. The signing and pavement marking of handicapped parking spaces shall conform to the specifications as prescribed by the New Jersey Department of Transportation in the latest revision of the Manual on Uniform Traffic Control Devices for Streets and Highways. All signs indicating the existence of handicapped parking spaces shall, state the penalties imposed for violations of this article.
3. Each handicapped parking space shall be a minimum of 12 feet in width or as required by the American Disabilities Act or residential site improvement standards to permit handicapped persons to get in and out of either side of a motor vehicle onto a level, paved surface suitable for wheeling and walking.
4. Where possible, such spaces shall be located so that handicapped persons are not compelled to wheel or walk behind parked cars.

D. Compliance sketch plan ordinance.

The owners of all premises required to provide handicapped parking spaces as specified herein shall submit a sketch plan indicating the present or proposed location of such spaces to the Borough of South Plainfield. The sketch plan shall require approval by the code

department and planning and engineering departments and shall be retained and kept on file in the planning and engineering department. The sketch plan must be approved prior to the installation of any handicapped parking spaces. In all cases, except as otherwise determined by the planning or zoning board, once the sketch plan has been approved, the owner shall have 60 days from the date of approval to install and mark new handicapped spaces or correct deficiencies in existing spaces. Any owner failing to submit a sketch plan as required or to provide properly designated and marked handicapped parking stalls within the time periods prescribed in this article shall be subject to penalties in accordance with this article.

E. Maintenance of markings.

All signing, pavement, markings, depressed curbing and/or ramps shall be maintained in good and proper condition, including but not limited to the condition that required markings and signs should remain distinctly visible at all times. Any owner of premises required to provide handicapped parking spaces who shall fail to maintain such spaces in proper condition shall be subject to penalties in accordance with this article.

F. Handicapped parking spaces restricted.

1. Except when necessary to avoid conflict with other traffic or in compliance with the directions of a traffic or police officer or traffic sign or signal, no operator of a vehicle shall stand or park the vehicle in any space appropriately designated for use by the physically handicapped unless the vehicle is authorized by law to park therein.
2. Where a passenger or driver of a motor vehicle is authorized by his possession of handicapped person identification card to park in a handicapped parking space, the identification card or placard shall be placed on the top of the dashboard near the steering wheel so as to be visible through the front windshield of the car, and failure to place this identification card as described above when otherwise properly parking in a handicapped parking space will constitute a violation of this article subject to the penalties within this article.

G. Enforcement.

This article shall be enforced by the Police Department of the Borough of South Plainfield.

H. Violations and Penalties.

1. Any person parking a motor vehicle in a parking space appropriately designated as restricted for use by handicapped persons without a special vehicle identification card issued by the division of motor vehicles pursuant to N.J.S.A. 39:4-204 et seq. and 39:4-197.5, as amended, shall be subject to a fine as set forth in N.J.S.A. 39:4-197(3)c, as amended.
2. No penalty shall be imposed for the parking overtime of any vehicle which has displayed thereon a placard or wheelchair symbol license plate unless such vehicle shall have been parked in one location for more than 24 hours, as long as the driver or a passenger of said car at the time of the overtime parking has a valid placard or special license plate issued to him or her.

3. Any person who violates this section by failing to designate or maintain handicapped parking spaces as required hereunder or otherwise fails to comply with any section of this article shall be liable for a penalty of not more than \$1,250.00 or imprisonment for not more than 90 days or both. Each and every day of noncompliance shall be considered a separate violation.

Article III. Through Streets.

Article XII. Off Road Vehicles.

187-34. Regulating of off road vehicles.

1. The purpose of this Ordinance shall be to set standards for the operation of motor-driven off-road vehicles within the Borough of South Plainfield to minimize the impact of operation of such vehicles on residents of the Borough, the public at large, the environment, and ensure minimum standards of safety.
2. As used in this Chapter, the following terms shall have the meanings indicated:
 - a. Motor Vehicle – Any vehicle that is propelled by other than human or animal power;
 - b. Off-Road Vehicle – Motor vehicles which are capable of human transport and designed or used for the purpose of recreation off of the public right-of-way, including, but not limited to, all-terrain vehicles, trail/dirt bikes; mini bikes; go-carts; and snow mobiles. This Chapter shall not apply to lawn mowers, tractors or farm, lawn, garden or similar equipment for residential use, or business or agricultural/farming activities when used for purposes for which each was designed; and
 - c. Public Property – Lands owned, leased or under the jurisdiction of the Borough of South Plainfield or the Borough of South Plainfield Board of Education.
3. It shall be unlawful to operate any off-road vehicle under the following circumstances:
 - a. On the property of another person or party, unless the operator of the off-road vehicle has written permission of the owner or legal occupant of said property to operate the off-road vehicle thereon, or said property owner is present. Said written permission must be exhibited to police officers upon request;
 - b. On any public street, sidewalk or bike path within the Borough;
 - c. On public property unless written permission for operation of the off-road vehicle on said property has been specifically given by the applicable public authority; or
 - d. Within 450 feet of an occupied dwelling, other than the dwelling of the operator, or on other property where permission has been granted in a manner creating: Any harsh, objectionable or unreasonable noise so as to disturb or interfere with the peace and quiet of other persons or which produces noise in violation of the Code of the Borough of South Plainfield; or The presence in the outdoor atmosphere of airborne dust, dirt or debris, or in an unsafe manner creating a physical hazard, beyond the property line on which the off-road vehicle operates such that it interferes with the enjoyment of life or property of the adjoining property occupant.
4. It shall be unlawful for the owner or person having control or custody of an off-road vehicle to allow or enable a minor (under age 18) to operate said off-road vehicle in a manner violating any section of this Chapter. When a minor operates an off-road vehicle in violation

of this Chapter, it shall be a rebuttable presumption that the parent or guardian of said minor enabled the off-road vehicle to be so operated.

5. Exemptions:
 - a. Off-road vehicles used in or related to agricultural/farming activities, gardening, yard work and for snow removal; or
 - b. Loading and unloading of off-road vehicles during transit to and from public roadways.
6. Reports of the prohibited acts from two or more persons who are in general agreement as to the times and duration of the prohibited acts and who reside in separate residences, including apartments and condominiums, located within 200 feet of a property line (boundary) from the property on which the source of prohibited acts occur shall create a rebuttable presumption of a violation of this Ordinance. However, nothing in this Chapter shall preclude a single individual from registering a complaint for any violation of this Ordinance.
7. It shall be unlawful for any off-road vehicle to be operated within the Borough of South Plainfield which does not conform to current Federal or State standards for the type of off-road vehicle in question. If no such standard exists, then recognized standards by bodies or industry trade association standards shall be used, if available.
8. It shall be unlawful for any off-road vehicle to be operated without a muffler. For two-cycle engines, a United States Forest Service approved muffler/spark arrester combination is required.
9. The following shall consist of violations and penalties;
 - a. Violation of any section of this Chapter shall constitute a separate and distinct offense independent of the violation of any other section or any order issued pursuant to this Ordinance. Each day of violation shall constitute an additional, separate and distinct offense;
 - b. For a first violation of any section of this Chapter, the following penalty may be imposed:
 1. In a case where a minor is involved, a verbal first warning and a copy of this Ordinance may be provided to both the minor and the parent or legal guardian in lieu of a summons at the discretion of the police officer. If a warning is issued, and if within 90 days, the off-road vehicle in question is again operated in a manner which is found to be in violation of this Ordinance (not necessarily the same offense), the parent or guardian of the operator shall be cited for violation of this Chapter, and subject to the penalties herein;
 2. In cases where a minor is not involved, for a first offense, the operator shall be subject to a fine of not more than \$1,000.00; and
 3. For a second or more violation of this Chapter, the violator shall be subject to a fine of \$100.00 to \$2,000.00, community service of 90 days, or both, within the discretion of the Municipal Cou

Any vehicle parked or standing so as to obstruct or impede a normal flow of traffic, block entrances or exit ways, loading zones, oil fills, any grassy area, pedestrian walkways or present in any way a safety or traffic hazard may be removed by towing the vehicle at the owner's or operator's expense.

- 5. Penalty. Unless another penalty is expressly provided by statute, every person convicted of a violation of this section or any supplement thereto shall be liable to a penalty as prescribed by 187-2 of this ordinance.
- B. Signs, pavement markings, installation and maintenance.
 - 1. The owners of the premises referred to in this section shall provide and install signs and pavement markings as required, which signage and markings shall be in accordance with the Manual on Uniform Traffic Control Devices, (current edition). The cost for the procurement and installation of signs and pavement markings shall be the responsibility of the owner of said property. The owner shall, subsequent to initial procurement and installation, maintain such signs and pavement markings in good condition at no cost or expense to the Borough of South Plainfield. The owner shall be responsible for the repair and restoration or replacement of same.
 - 2. Penalty. Unless another penalty is expressly provided by statute, every person convicted of a violation of this section or any supplement thereto shall be liable to a penalty as prescribed by 187-2 of this ordinance.
