**COUNCIL REPORTS:**

Borough Attorney Rizzo, Esq. – had no report for this evening.

Administrator Cullen – thanked everyone, especially this Council and the employees for all their effort and support after the storm to help clean the town. Right now there remain about fifty residents still without power and we have not forgotten them. We are doing all we can to help them. Our public works department has done a fantastic job getting up all the debris in an expedient manner. Everyone has worked tirelessly to help those in need.

Engineer Miller – briefed the Council on the status of the road improvement projects. Fisher contracting has completed his job and all the speed bumps are in place now. Stilo Excavating is still making progress, weather permitting.

Clerk Antonides – advised that there is now full power back after Hurricane Sandy in all election polling locations and that tomorrow’s General Election will be business as usual.

Councilman Barletta – Thanked the EMS, Fire, OEM, Police, fellow Council members, employees, DPW for all their time and effort put forth to clean up our town after such a detrimental storm. Mr. Barletta said that one person in particular really stood out in going the extra mile and worked tirelessly to help do all he could to get the communication flowing to our residents and to get our power back and that is Glenn Cullen. He really worked hard and did all he could. He did a really commendable job. On a side note, Mr. Barletta warned home owners to beware those trying to capitalize on this storm recover. Homeowners need to make sure that before they hire someone to do repairs to their home that they are fully licensed and insured.

Councilman Frank – advised how proud he is of everyone who went the extra mile in helping each other out. Neighbor helping neighbor is what it is all about.

Councilman Bengivenga – echoed everyone’s appreciation for all the time spent in cleaning up our town after such a large storm. Everyone worked really hard to bring normalcy back to our community as quickly as possible. Mr. Bengivenga advised that moments ago he received notice of a fire at the Middlesex Pump Station resulting in a boil water advisory will now need to commence immediately and should be only be temporary. Mr. Bengivenga advised that we will be doing a reverse 911 call to all residents to alert them of this as well as post a notice on our website and Facebook account.

Councilman White – also thanked everyone involved in assisting in any way they could. Mr. White said that we all came together to do what we needed to make things right for our community. Mr. White extended a special word of appreciation to the PBA and Senior Center for all their help and assistance with those residents in need.

Councilman McConville – Thanked all Police, Fire, EMS, and DPW for all their long hours spent on assisting with this Hurricane. The DPW has been out since before the storm began and has worked non-stop since. They have been kept from their own families for a very long period of time now. Mr. McConville further thanked the Council for all the hours they all put in assisting residents, picking up debris, among many other things. Councilman Barletta was also assisting us in driving one of the trucks to help pick up the debris around town.

Council President Rusnak – extended a special word of appreciation to Glenn Cullen for the outstanding job he did as well as his devotion to the community. Mr. Rusnak said he just wished everyone knew how much Glenn Cullen did before, during and after this storm. Mr. Rusnak expressed further appreciation to Bob Capparelli who worked tirelessly to help our community. Mr. Rusnak said how proud he is of the Police Chief who did an outstanding job of leading his department. Mr. Rusnak advised how proud he is to be a part of this governing body who also spend many hours doing all they could do to help. To conclude, Mr. Rusnak informed everyone of how Councilman Barletta while going door to door to assist residents he came upon a husband and wife who feared running their generator because they would soon be out of gasoline. Councilman Barletta went out and brought gasoline back to them so they could keep their generator running.

Mayor Anesh – also echoed everyone’s words of appreciation to all who helped during the storm, especially Glenn Cullen who worked around the clock to do all he could. Mayor Anesh also expressed his appreciation to his Secretary, Anne Daley, for coming in on the weekend and taking a countless number of phone calls.

At this time Administrator Cullen advised that he just took a cell phone call notifying him that the section of Delmore Avenue just got their power back.

#### **COMMENTS FROM THE PUBLIC:**

Mr. Alan Pearlman Esq. thanked the Council for their cooperation in assisting the bond release that was on this evening’s agenda. Mr. Pearlman advised he is from Scotch Plains and their town is still not doing well with no power in a majority of their town.

Mayor Anesh said after this meeting concludes we will be doing all we can to get the word out to our residents via a reverse 911 call, posting on Facebook as well as our website. Only those effected utilize the Middlesex Pump Station.

Ms. Debbie Boyle of Van Fleet, thanked everyone for coming out to the Taste of South Plainfield event. Over \$3,000 was raised and will go toward high school scholarships. The Health and Safety Fair was also a big success. To conclude, Ms. Boyle thanked the Mayor and Council, DPW, Police, Fire, EMS, OEM for all their effort during the storm recovery and said she hopes that the residents appreciate all that has been done.

Mr. Bob Jones said ditto what Ms. Boyle just said. Mr. Jones said that Mr. Glenn Cullen did an amazing job during the storm recovery and that Mayor Anesh really showed outstanding leadership. Mayor Anesh must have received 60-80 calls a day and he returned each and every one of them. It really was a job well done.

Mr. Anthony Burilla said he lives next door to the Drake House and questioned if WTCT AM was kept informed of the status of our storm recovery. Mayor Anesh explained. Mr. Burilla advised that he would like to see transport for seniors to the shopping center take place on Thursdays between 9am and noon. Also, Mr. Burilla said he would like to see auxiliary police.
