3. Mandatory Requirement for Affordable Housing in Multifamily Residential Developments

A. If the Borough permits the construction of multi-family or single-family attached residential development that is “approvable” and “developable,” as defined at N.J.A.C. 5:93-1.3, at a gross residential density of six (6) or more units per acre, the Borough shall require that an appropriate percentage of the residential units be set-aside for very low-, low-, and moderate-income households. For inclusionary projects in which the low and moderate units are to be offered for sale, the appropriate set-aside percentage is 20 percent; for projects in which the low and moderate income units are to be offered for rent, the appropriate set-aside percentage is 15 percent.

(1) This requirement shall apply to any multi-family or single-family attached residential development, including the residential portion of a mixed-use project, which consists of five (5) or more new residential units, whether permitted by a zoning amendment, a variance granted by the Borough’s Land Use Board, or

adoption of a Redevelopment Plan or amended Redevelopment Plan in areas in need of redevelopment or rehabilitation.

- (2) In any such development for which the Borough's land use ordinances or an adopted Redevelopment Plan already permitted residential development as of February 6, 2017, this requirement shall only apply if the Borough permits an increase in approvable and developable gross residential density to at least twice the permitted approvable and developable gross residential density as of the effective date of this Agreement.
- B. When calculating the set-aside requirement for a particular site, if the imposition of the required set-aside requirement results in a fractional unit, the requirement shall be rounded up to the next whole number. For example, in the case of a fifteen (15)-unit multifamily rental development, a total of three (3) affordable units would be required (n.b., 15 units \times 15 percent set-aside requirement = 2.25 affordable units required, which is rounded up to 3 affordable units required)
- C. Nothing in this section precludes the Borough from imposing an affordable housing set-aside requirement on a development that is not required to have an affordable housing set-aside pursuant to this section, when such imposition is consistent with N.J.S.A. 52:27D-311(h) and other applicable law.
- D. This affordable housing set-aside requirement shall not create any entitlement to a special dispensation or approval for a property owner or applicant for a zoning amendment, variance, or adoption of a Redevelopment Plan or amended Redevelopment Plan.
- E. This affordable housing set-aside requirement shall not apply to any sites or specific zones identified in the Borough's Housing Element and Fair Share Plan or the settlement agreement between the Borough and Fair Share Housing Center, Inc., which was signed and dated February 6, 2017. For such sites, density and set-aside standards shall be governed by the specific standards set forth therein.
- F. This affordable housing set-aside requirement shall not apply to developments containing four (4) or less dwelling units.
- G. All subdivision and site plan approvals of qualifying residential developments shall be conditioned upon compliance with the provisions of this section.
- H. Where a developer demolishes existing dwelling units and builds new dwelling units on the same site, the provisions of this section shall apply only if the net number of new dwelling units is five (5) or more units.

4. Phasing of Certificates of Occupancy

Certificates of occupancy for developments that include affordable housing units shall be subject to the following additional provisions:

- A. Phasing Schedule for Inclusionary Development. Affordable housing units shall be built, occupied, and receive certificates of occupancy in accordance with the following schedule:

Maximum Percentage of Market-Rate Units Completed	Minimum Percentage of Low- and Moderate-Income Units Completed
25	0
25+1	10
50	50
75	75
90	100

- B. No initial occupancy of a low- or moderate-income housing sales unit shall be permitted prior to issuance of a certificate of occupancy, and no certificate of occupancy for initial occupancy of a low- or moderate-income housing sales unit shall issue unless there is a written determination by the Administrative Agent that the unit is to be controlled by a deed restriction and mortgage lien as required by UHAC.
- C. A certificate of reoccupancy for any occupancy of a low- or moderate-income housing sales unit resulting from a resale shall be required, and the Borough shall not issue such certificate unless there is a written determination by the Administrative Agent that the unit is to be controlled by the deed restriction and mortgage lien required by UHAC.
- D. The certificate of reoccupancy shall not be required where there is a written determination by the Administrative Agent that controls are allowed to expire or that the repayment option is being exercised pursuant to N.J.A.C. 5:92-12.3.

The Affirmative Marketing Plan is a continuing program that directs marketing activities toward Housing Region 3 and shall be followed throughout the period of restriction.
- (3) The Affirmative Marketing Plan shall provide a regional preference for all households that live and/or work in Housing Region 3, comprised of Hunterdon, Middlesex and Somerset counties.
- (4) The municipality has the ultimate responsibility for adopting the Affirmative Marketing Plan and for the proper administration of the Affirmative Marketing Program, including initial sales and rentals and resales and re-rentals. G. Buyer Income Eligibility

- (1) Buyer income eligibility for restricted ownership units shall be in accordance with N.J.A.C. 5:80-26.1, as may be amended and supplemented, such that low-income ownership units shall be reserved for households with a gross household income less than or equal to 50 percent of median income and moderate-income ownership units shall be reserved for households with a gross household income less than 80 percent of median income.
- (2) Notwithstanding the foregoing, however, the Administrative Agent may, upon approval by the Borough Council, and subject to the Court's approval, permit moderate-income purchasers to buy low-income units in housing markets if the Administrative Agent determines that there is an insufficient number of eligible low-income purchasers to permit prompt occupancy of the units. All such low-income units to be sold to moderate-income households shall retain the required pricing and pricing restrictions for low-income units.
- (3) A certified household that purchases a restricted ownership unit must occupy it as the certified household's principal residence and shall not lease the unit; provided, however, that the Administrative Agent may permit the owner of a restricted ownership unit, upon application and a showing of hardship, to lease the restricted unit to another certified household for a period not to exceed one year.

- (4) The Administrative Agent shall certify a household as eligible for a restricted ownership unit when the household is a low-income household or a moderate-income household, as applicable to the unit, and the estimated monthly housing cost for the particular unit (including principal, interest, taxes, homeowner and private mortgage insurance, and condominium or homeowner association fees, as applicable) does not exceed 33 percent of the household's eligible monthly income.
- H. Limitations on Indebtedness Secured by Ownership Unit, Subordination
- (1) Prior to incurring any indebtedness to be secured by a restricted ownership unit, the owner shall apply to the Administrative Agent for a determination in writing that the proposed indebtedness complies with the provisions of this Section, and the Administrative Agent shall issue such determination prior to the owner incurring such indebtedness.
 - (2) With the exception of First Purchase Money Mortgages, neither an owner nor a lender shall at any time cause or permit the total indebtedness secured by a restricted ownership unit to exceed 95 percent of the maximum allowable resale price of the unit, as such price is determined by the Administrative Agent in accordance with N.J.A.C.5:80-26.6(b).
- I. Capital Improvements to Ownership Units
- (1) The owners of restricted ownership units may apply to the Administrative Agent to increase the maximum sales price for the unit based on capital improvements made since the purchase of the unit. In no event shall the maximum sales price of an improved housing unit exceed the limits of affordability for the larger household.
 - (2) Upon the resale of a restricted ownership unit, all items of property that are permanently affixed to the unit or were included when the unit was initially restricted (e.g., refrigerator, range, washer, dryer, dishwasher, wall-to-wall carpeting) shall be included in the maximum allowable resale price. Other items may be sold to the purchaser at a reasonable price that has been approved by the Administrative Agent at the time of the signing of the agreement to purchase. The purchase of central air conditioning installed subsequent to the initial sale of the unit and not included in the base price may be made a condition of the unit resale provided the price, which shall be subject to 10-year, straight-line depreciation, has been approved by the Administrative Agent. Unless otherwise approved by the Administrative Agent, the purchase of any property other than central air conditioning shall not be made a condition of the unit resale. The owner and the purchaser must personally certify at the time of closing that no unapproved transfer of funds for selling and receiving property has taken place at the time of or as a condition of resale.

M. Maximum Rents and Sales Prices:

- (1) In establishing rents and sales prices of affordable housing units, the Administrative Agent shall follow the procedures set forth in UHAC, utilizing the most recently published regional weighted average of the uncapped Section 8 income limits published by HUD and the calculation procedures set forth in the Consent Order entered on December 16, 2016, by the Honorable Douglas K. Wolfson, JSC, in In the Matter of the Township of East Brunswick for a Judgment of Compliance of its Third Round Housing Element and Fair Share Plan, Docket No.: MID-L-004013-15.

- (4) The maximum sales price of restricted ownership units within each affordable development shall be affordable to households earning no more than 70 percent of median income, and each affordable development must achieve an affordability average of 55 percent for restricted ownership units; in achieving this affordability average, moderate-income ownership units must be available for at least three different sales prices for each bedroom type, and low-income

ownership units must be available for at least two different sales prices for each bedroom type.

 - (c) A two-bedroom unit shall be affordable to a two-person household or to two one-person households.
- (7) The initial purchase price for all restricted ownership units shall be calculated so that the monthly carrying cost of the unit, including principal and interest (based on a mortgage loan equal to 95 percent of the purchase price and the Federal Reserve H.15 rate of interest), taxes, homeowner and private mortgage insurance and condominium or homeowner association fees do not exceed 28 percent of the eligible monthly income of the appropriate size household as determined under N.J.A.C. 5:80-26.4, as may be amended and supplemented; provided, however, that the price shall be subject to the affordability average requirement of N.J.A.C. 5:80-26.3, as may be amended and supplemented.
- (8) The initial rent for a restricted rental unit shall be calculated so as not to exceed 30 percent of the eligible monthly income of the appropriate size household, including an allowance for tenant paid utilities, as determined under N.J.A.C. 5:80-26.4, as may be amended and supplemented; provided, however, that the rent shall be subject to the affordability average requirement of N.J.A.C. 5:80-26.3, as may be amended and supplemented.
- (9) The price of owner-occupied low- and moderate-income units may increase annually based on the percentage increase in the regional median income limit for each housing region. In no event shall the maximum resale price established by the Administrative Agent be lower than the last recorded purchase price.
- (10) The rent of low- and moderate-income units may be increased annually based on the permitted percentage increase in the Housing Consumer Price Index for the United States. This increase shall not exceed nine percent in any one year. Rents for units constructed pursuant to low- income housing tax credit regulations shall be indexed pursuant to the regulations governing low- income housing tax credits.

6. Requirements for Affordable Housing

Developments that include affordable housing units shall be subject to the following provisions:

- A. Low-income housing. Low-income housing shall be affordable, according to Federal Department of Housing and Urban Development or other recognized standards for home ownership and rental costs, and occupied or reserved for occupancy by households with a gross household income equal to 50 percent or less of the median gross household income for households of the same size within the housing region in which the housing is located, and subject to affordability controls.
- B. Moderate-income housing. Moderate-income housing shall be affordable, according to Federal Department of Housing and Urban Development or other recognized standards for home ownership and rental costs, and occupied or reserved for occupancy by households with a gross household income equal to or more than 50 percent but less than 80 percent of the median gross household income for households of the same size within the housing region in which the housing is located, and subject to affordability controls.
- C. In accordance with N.J.S.A. 52:27D-329.1 (P.L. 2008, C. 46) at least 13 percent of the affordable units provided within the Borough shall be reserved for very low income households, i.e. households earning 30 percent or less of the median income and of that amount at least 50 percent shall be reserved for very low income families (i.e., non-age restricted and not reserved for special needs populations). For developments with eight (8) or more affordable housing units on site, at least 13 percent of all low- and moderate-income units shall be affordable to households earning no more than 30 percent of median income. A minimum of 50 percent of these units shall be reserved for very low-income families. The very low income housing requirements shall be counted as part of the low-income housing requirement.
- D. Age restriction. The number of affordable housing units that are age restricted to senior citizens shall not exceed 25 percent of the total number of affordable housing units constructed within the Borough, as defined by and in accordance with the Federal Fair Housing Act and as regulated by N.J.A.C. 5:92-14. A request to age restrict housing units may only be granted after the Planning Board or Board of Adjustment has received the consent of the Borough Council. In designing its project, the applicant may propose constructing the senior citizen restricted affordable units in the same building or buildings in order to maximize the potential of preserving a more tranquil lifestyle for the senior citizen resident; and to the foregoing extent, the requirement of integration of the affordable units with conventional units is modified.
- E. Low/Moderate Split and Bedroom Distribution of Affordable Housing Units:
 - (1) The fair share obligation shall be divided equally between low- and moderate-income units, except that where there is an odd number of affordable housing units, the extra unit shall be a low-income unit.
 - (2) In each affordable development, at least 50 percent of the restricted units within each bedroom distribution shall be low- and/or very low-income units
 - (3) Affordable developments that are not age-restricted shall be structured in conjunction with realistic market demands such that:
 - (a) The combined number of efficiency and one-bedroom units is no greater than 20 percent of the total low- and moderate-income units;
 - (b) At least 30 percent of all low- and moderate-income units are two bedroom units;
 - (c) At least 20 percent of all low- and moderate-income units are three bedroom units; and,
 - (d) The remainder, if any, may be allocated among two and three bedroom (or larger) units at the discretion of the developer.

- (4) Affordable developments that are age-restricted shall be structured such that the number of bedrooms shall equal the number of age-restricted low- and moderate-income units within the inclusionary development. The standard may be met by having all one-bedroom units or by having a two-bedroom unit for each efficiency unit.
- F. Location and design. Low- and moderate-income housing shall be designed in accordance with the following provisions:
- (1) The very low-, low-, and moderate-income housing units shall have access to the same common open space and community facilities as market-priced dwelling units.
 - (2) The exterior design of the low- and moderate-income housing units shall be harmonious in scale, texture, and materials with the market-priced units on the tract.
 - (3) Deed restrictions. Developers of housing units for low- and moderate-income households shall enter into a written agreement, binding on all successors-in-interest, in accordance with current COAH regulations or Court requirements for Resale/Rental Control, at the time of sale, resale, rental or re-rental regardless of the availability of Federal, State, County or Borough subsidy programs.
 - (4) In inclusionary developments, to the extent possible, low- and moderate-income units shall be integrated with the market units. Rental units may be separated from for sale units in a development for financing, ownership, and management reasons.
- G. Utilities
- (1) Affordable units shall utilize the same type of heating source as market units within an inclusionary development.
 - (2) Tenant-paid utilities included in the utility allowance shall be set forth in the lease and shall be consistent with the utility allowance approved by the DCA for its Section 8 program.
- H. Accessibility Requirements
- (1) The first floor of all restricted townhouse dwelling units and all restricted units in all other multistory buildings shall be subject to the technical design standards of the Barrier Free Subcode, N.J.A.C. 5:23-7 and the following:
 - (a) All restricted townhouse dwelling units and all restricted units in other multistory buildings in which a restricted dwelling unit is attached to at least one other dwelling unit shall have the following features:
 - [1] An adaptable toilet and bathing facility on the first floor; and,
 - [2] An adaptable kitchen on the first floor; and,
 - [3] An interior accessible route of travel on the first floor; and,
 - [4] An adaptable room that can be used as a bedroom, with a door or the casing for the installation of a door, on the first floor; and,
 - [5] If not all of the foregoing requirements in this paragraph can be satisfied, then an interior accessible route of travel must be provided between stories within an individual unit, but if all of the foregoing requirements in this paragraph have been satisfied, then an interior accessible route of travel shall not be required between stories within an individual unit; and,
 - [6] An accessible entranceway as set forth at P.L. 2005, c. 350 (N.J.S.A. 52:27D-311a, et seq.) and the Barrier Free Subcode,

N.J.A.C. 5:23-7, or evidence that the Borough of South Plainfield has collected funds from the developer sufficient to make 10 percent of the adaptable entrances in the development accessible:

- [a] Where a unit has been constructed with an adaptable entrance, upon the request of a disabled person who is purchasing or will reside in the dwelling unit, an accessible entrance shall be installed.
- [b] To this end, the builder of restricted units shall deposit funds within the Borough of South Plainfield Affordable Housing Trust Fund sufficient to install accessible entrances in 10 percent of the affordable units that have been constructed with adaptable entrances.
- [c] The funds deposited under the terms of this paragraph shall be used by the Borough of South Plainfield for the sole purpose of making the adaptable entrance of an affordable unit accessible when requested to do so by a person with a disability who occupies or intends to occupy the unit and requires an accessible entrance.
- [d] The developer of the restricted units shall submit a design plan and cost estimate to the Construction Official of the Borough of South Plainfield for the conversion of adaptable to accessible entrances.
- [e] Once the Construction Official has determined that the design plan to convert the unit entrances from adaptable to accessible meet the requirements of the Barrier Free Subcode, N.J.A.C. 5:23-7, and that the cost estimate of such conversion is reasonable, payment shall be made to the Borough of South Plainfield Affordable Housing Trust Fund.

- (b) Full compliance with the foregoing provisions shall not be required where an entity can demonstrate that it is "site impracticable" to meet the requirements. Determinations of site impracticability shall comply with the Barrier Free Subcode, N.J.A.C. 5:23-7.

7. Alternative Living Arrangements

- A. The administration of an alternative living arrangement shall be in compliance with N.J.A.C. 5:93-5.8 and the UHAC, with the following exceptions:
- B. Affirmative marketing (N.J.A.C. 5:80-26.15), provided, however, that the units or bedrooms may be affirmatively marketed by the provider in accordance with an alternative plan approved by the Court;
- C. Affordability average and bedroom distribution (N.J.A.C. 5:80-26.3).
- D. With the exception of units established with capital funding through a 20-year operating contract with the Department of Human Services, Division of Developmental Disabilities, alternative living arrangements shall have at least 30-year controls on affordability in accordance with the UHAC, unless an alternative commitment is approved by the Court.

- E. The service provider for the alternative living arrangement shall act as the Administrative Agent for the purposes of administering the affirmative marketing and affordability requirements for the alternative living arrangement.

8. Enforcement of Affordable Housing Regulations

- A. Upon the occurrence of a breach of any of the regulations governing the affordable unit by an Owner, Developer, or Tenant, the municipality shall have all remedies provided at law or equity, including but not limited to foreclosure, tenant eviction, a requirement for household recertification, acceleration of all sums due under a mortgage, recuperation of any funds from a sale in violation of the regulations, injunctive relief to prevent further violation of the regulations, entry on the premises, and specific performance.
- B. After providing written notice of a violation to an Owner, Developer, or Tenant of a low- or moderate-income unit and advising the Owner, Developer or, Tenant of the penalties for such violations, the municipality may take the following action(s) against the Owner, Developer, or Tenant for any violation that remains uncured for a period of 60 days after service of the written notice:
 - (1) The municipality may file a court action pursuant to N.J.S.A. 2A:58-11 alleging a violation, or violations of the regulations governing the affordable housing unit. If the Owner, Developer, or Tenant is adjudged by the Court to have violated any provision of the regulations governing affordable housing units the Owner, Developer, or Tenant shall be subject to one or more of the following penalties, at the discretion of the Court:
 - (a) A fine of not more than \$500.00 per day or imprisonment for a period not to exceed 90 days, or both, provided that each and every day that the violation continues or exists shall be considered a separate and specific violation of these provisions and not a continuation of the initial offense;
 - (b) In the case of an Owner who has rented a low- or moderate-income unit in violation of the regulations governing affordable housing units, payment into the Borough of South Plainfield Affordable Housing Trust Fund of the gross amount of rent illegally collected;
 - (c) In the case of an Owner who has rented a low- or moderate-income unit in violation of the regulations governing affordable housing units, payment of an innocent tenant's reasonable relocation costs, as determined by the Court.
 - (2) The municipality may file a court action in the Superior Court seeking a judgment that would result in the termination of the Owner's equity or other interest in the unit, in the nature of a mortgage foreclosure. Any such judgment shall be enforceable as if the same were a judgment of default of the First Purchase Money Mortgage and shall constitute a lien against the low- or moderate-income unit.
 - (a) The judgment shall be enforceable, at the option of the municipality, by means of an execution sale by the Sheriff, at which time the low- and moderate-income unit of the violating Owner shall be sold at a sale price which is not less than the amount necessary to fully satisfy and pay off any First Purchase Money Mortgage and prior liens and the costs of the enforcement proceedings incurred by the municipality, including attorney's fees. The violating Owner shall have his right to possession terminated as well as his title conveyed pursuant to the Sheriff's sale.

- (b) The proceeds of the Sheriff's sale shall first be applied to satisfy the First Purchase Money Mortgage lien and any prior liens upon the low- and moderate-income unit. The excess, if any, shall be applied to reimburse the municipality for any and all costs and expenses incurred in connection with either the court action resulting in the judgment of violation or the Sheriff's sale. In the event that the proceeds from the Sheriff's sale are insufficient to reimburse the municipality in full as previously mentioned, the violating Owner shall be personally responsible for the full extent of such deficiency, in addition to any and all costs incurred by the municipality in connection with collecting such deficiency. In the event that a surplus remains after satisfying all of the above, such surplus, if any, shall be placed in escrow by the municipality for the Owner and shall be held in such escrow for a maximum period of two (2) years or until such earlier time as the Owner shall make a claim with the municipality for such. Failure of the Owner to claim such balance within the two-year period shall automatically result in a forfeiture of such balance to the municipality. Any interest accrued or earned on such balance while being held in escrow shall belong to and shall be paid to the municipality, whether such balance shall be paid to the Owner or forfeited to the municipality.
- (c) Foreclosure by the municipality due to violation of the regulations governing affordable housing units shall not extinguish the restrictions of the regulations governing affordable housing units as the same apply to the low- and moderate-income unit. Title shall be conveyed to the purchaser at the Sheriff's sale, subject to the restrictions and provisions of the regulations governing the affordable housing unit. The Owner determined to be in violation of the provisions of this plan and from whom title and possession were taken by means of the Sheriff's sale shall not be entitled to any right of redemption.
- (d) If there are no bidders at the Sheriff's sale, or if insufficient amounts are bid to satisfy the First Purchase Money Mortgage and any prior liens, the municipality may acquire title to the low- and moderate-income unit by satisfying the First Purchase Money Mortgage and any prior liens and crediting the violating owner with an amount equal to the difference between the First Purchase Money Mortgage and any prior liens and costs of the enforcement proceedings, including legal fees and the maximum resale price for which the low- and moderate-income unit could have been sold under the terms of the regulations governing affordable housing units. This excess shall be treated in the same manner as the excess that would have been realized from an actual sale, as previously described.
- (e) Failure of the low- and moderate-income unit to be either sold at the Sheriff's sale or acquired by the municipality shall obligate the Owner to accept an offer to purchase from any qualified purchaser which may be referred to the Owner by the municipality, with such offer to purchase being equal to the maximum resale price of the low- and moderate-income unit as permitted by the regulations governing affordable housing units.

- (f) The Owner shall remain fully obligated, responsible and liable for complying with the terms and restrictions of governing affordable housing units until title is conveyed from the Owner.

Such posting shall invite any interested party to submit comments to the municipality, with a copy to Fair Share Housing Center, regarding whether any sites no longer present a realistic opportunity and should be replaced and whether any mechanisms to meet unmet need should be revised or supplemented. Any interested party may by motion request a hearing before the Court regarding these issues.

and the State Constitution, subject to the Council on Affordable Housing's (COAH's) adoption of rules.

- (2) Pursuant to P.L. 2008, c. 46, Section 8 (N.J.S.A. 52:27D-329.2) and the Statewide Nonresidential Development Fee Act (N.J.S.A. 40:55D-8.1 through 40:55D-8.7), the Council on Affordable Housing (COAH) is authorized to adopt and promulgate regulations necessary for the establishment, implementation, review, monitoring, and enforcement of municipal affordable housing trust funds and corresponding spending plans. Municipalities that are under the jurisdiction of a court of competent jurisdiction and have an approved spending plan may retain fees collected from nonresidential development.
- (3) Pursuant to the March 10, 2015 Supreme Court Order, the Court transferred all functions, powers, and duties to the Courts. Any and all reference to COAH shall mean the Courts.
- (4) This article Ordinance establishes standards for the collection, maintenance, and expenditure of development fees pursuant to COAH's and the Court's regulations and in accordance P.L. 2008, c. 46, Sections 8 and 32 through 38. Fees collected pursuant to this article shall be used for the sole purpose of providing low- and moderate-income housing. This article shall be interpreted within the framework of COAH's rules on development fees, codified at N.J.A.C. 5:97-8.

(1) Residential Development

- (a) Within the all zoning districts in the Borough of South Plainfield, residential developers, except for developers of the types of development specifically exempted below, shall pay a fee of 1.5% of the equalized assessed value for residential development, provided that no increased density is permitted.
- (b) Where an increase in density is permitted through a variance granted pursuant to N.J.S.A. 40:55D-70d(5) or a rezoning, redevelopment plan, or redevelopment plan amendment that is adopted after the effective date of this ordinance, developers shall be required to pay a development fee of six percent (6.0%) of the equalized assessed value for each additional unit that may be realized, except that this provision shall not be applicable to a development that will include a set-aside of affordable housing units. However, if the zoning on a site has changed during the two-year period preceding the filing of such a variance application, the base density for the purposes of calculating the bonus development fee shall be the highest density permitted by right during the two-year period preceding the filing of the variance application.

(2) Nonresidential Development

- (a) Within all zoning districts, non-residential developers, except for developers of the types of development specifically exempted below, shall pay a fee equal to two and one-half percent (2.5%) of the equalized

- (b) Non-residential developers, except for developers of the types of development specifically exempted below, shall pay a fee equal to two and one-half percent (2.5%) of the increase in total equalized assessed value resulting from any additions to existing structures to be used for non-residential purposes.
- (c) Development fees shall be imposed and collected when an existing structure is demolished and replaced. The development fee of two and one-half percent (2.5%) shall be calculated on the difference between the equalized assessed value of the preexisting land and improvements and the equalized assessed value of the newly improved structure, i.e. land and improvements, at the time the final certificate of occupancy is issued. If the calculation required under this section results in a negative number, the non-residential development fee shall be zero.
- (d) Developers that convert any portion of an existing residential structure to a nonresidential use shall pay a development fee of two and one-half percent (2.5%). The development fee shall be calculated based on the increase in the equalized assessed value of the converted structure.

D. Eligible Exactions, Ineligible Exactions, and Exemptions

(1) Residential Development

- (a) Developers of low- and moderate-income housing shall be exempt from paying development fees, provided that the minimum number of affordable units required for the development is completed in accordance with this chapter. - (b) Developments that have received preliminary or final site plan approval prior to the adoption of a municipal development fee ordinance shall be exempt from development fees, unless the developer seeks a substantial change in the approval. Where a site plan approval does not apply, a zoning and/or building permit shall be synonymous with preliminary or final site plan approval for this purpose. The applicable development fee percentage shall be vested on the date that the building permit is issued.
- (c) Owner-occupied residential structures demolished and replaced because of a fire, flood, or natural disaster shall be exempt from paying a development fee.
- (d) Development fees shall be imposed and collected when an existing structure is demolished and replaced. The development fee shall be calculated on the increase in the equalized assessed value of the improved structure.
