SOUTH PLAINFIELD CLEAN COMMUNITIES ASSOCIATION'S ADOPT-A-SPOT PROGRAM

GUIDELINES

A Clean Borough is Everybody's Business

South Plainfield Clean Communities Association's ADOPT-A-SPOT PROGRAM

The South Plainfield Clean Communities Association was formed to promote a more attractive business environment. The Adopt-A-Spot community involvement program brings together business leaders and the borough in a partnership designed to create a litter-free community.

The Adopt-A-Spot Program is open to any South Plainfield business that is a Clean Business Association member. In adopting a spot, the business commits to a periodic clean-up and maintenance schedule. Signs will be posted at the spot recognizing the sponsor's contributions to a cleaner community.

If you are interested in adopting a spot, contact one of the program coordinators listed on the back.

ADOPT-A-SPOT

Maintenance Guidelines

Under the Adopt-A-Spot program, a business agrees to cleanup and maintain an area it has adopted.

1. The sponsor maintains the adopted site for a one year period.
2. Maintenance includes picking up litter and debris from the site. Also, mowing grass, weeding, planting flowers or related activities may be undertaken.
3. Established safety procedures must be followed.
4. The sponsor must provide a certificate of insurance showing comprehensive general liability insurance coverage before initiating the program.
5. The Clean Communities Association provides trash bags for bagging litter and debris. Arrangements will be made for collection of the litter.
6. The Clean Business Association provides two Adopt-A-Spot signs designating the sponsor's name.
