Applicant Signature _____ Date _____

Please include a drawing/rendering of the sign showing the location on the building and a property survey indicating the distance to nearby property lines if applicable. If it is unclear where the sign will be located, it may be denied, and a new application with more information will need to be submitted.

For complete information on what may be permitted within certain Zones, please refer to Chap. §540-54 Signs. Construction Permit applications may accompany all Zoning Permit requests provided they are filled out completely and include all necessary licenses. The South Plainfield website can be accessed at www.southplainfieldnj.com.
