

## **2025 FREE RABIES CLINICS IN MIDDLESEX COUNTY**

Please click on link below which will take you to Middlesex County's Office of Health Services for a complete list of all rabies clinics throughout Middlesex County. South Plainfield residents may choose to bring their pet for a free rabies vaccination at any one of these clinics throughout the County.

Just remember that the state mandated pet license can only take place in the town in which you reside. Please visit the South Plainfield Municipal Clerk's Office for the annual pet license. As a convenience, you may also seek a pet license through the mail.
