

IN-PERSON EARLY VOTING LOCATIONS IN MIDDLESEX COUNTY

In-person early person early voting locations will be open Saturday, October 25, through Sunday, November 2, for the 2025 General Election. Hours will be Monday to Saturday, 10 am-8pm and Sunday, 10 am – 6 pm.

Upon arriving at an early voting location, voters will sign in on an electronic poll book. The electronic poll book will print a bar code on the voter activation card so the voting machine knows which ballot to activate.

Voters will then enter the polling booth and insert their ballot card into the voting machine. Next, voters will make their selection by touching the screen. Selections should then be reviewed in the summary screen before touching “Print Ballot” to review the printed card in the window to the right. Finally, touch “Cast Ballot” and the card is then tabulated and deposited into a secure card container.

No matter where you live in Middlesex County, you can vote your specific ballot at any of your county’s designated in-person early voting locations. Locations are as follows:
