DEEDS & DISCOVERIES

Exploring Middlesex County's History Through Property Records

Every property has a story. Discover how to find yours.

Who owned your property before you? What can an old deed reveal about your neighborhood?

Celebrate America's 250th anniversary with an introduction to Middlesex County's Revolutionary history and the stories preserved in its deeds and land records.

Join County Historian Mark Nonestied to explore the American Revolution in Middlesex County, followed by New Jersey's land title expert and author of "Owning New Jersey: Historic Tales of War, Property Disputes, and the Pursuit of Happiness", Joseph Grabas.

Then, visit the County Clerk's Record Room for a guided, hands-on workshop. Learn how to search deeds, trace past property ownership, and interpret historic land records to uncover connections between properties, families, and communities.
