

NOTICE OF RELOCATION OF ELECTION DISTRICTS

Please be advised that it has been determined to be in the best interest of voters to move two voting districts from the Senior Center on election day as a method of preventing potential crowding and parking issues on election day. This will be a permanent change for all future elections. The following districts will be relocated accordingly:

DISTRICT 6 will be relocated from the Senior Center to **FRANKLIN SCHOOL**

DISTRICT 8 will be relocated from the Senior Center to **KENNEDY SCHOOL**

Your election district location is located on your sample ballot.

Questions can be directed to the Municipal Clerk's Office at either 908-226-7605 or 908-226-7607.
