

The South Plainfield Clean Communities Association has established an Adopt-A-Spot program to improve the appearance of the Borough's roadsides and reduce the environmental hazards associated with accumulated litter and debris.

We are seeking volunteers to take responsibility for picking up litter from a stretch of roadside or adjacent area in the Borough. Mowing grass, pulling weeds, planting flowers, or other similar activities are optional. The SPCCA will supply Adopters with trash bags, gloves, safety vests and garbage grabbers.

**If you would like to Adopt-A-Spot, please reach out to:**

**Kristina Nieradka, Clean Communities Coordinator**
